

YOU WANT YOUR DELEGATION TO HAVE THE *best possible* NATIONAL CONVENTION EXPERIENCE.

That's a lot of challenging logistics:

- | | |
|---|--|
|  MEALS |  ENTERTAINMENT |
|  RECEPTIONS |  TRANSPORTATION |
|  SPECIAL EVENTS |  DAY TRIPS |
|  LATE NIGHT PARTIES |  FUNDRAISING |

Don't try to manage all that while leading your delegation.

Let us handle the logistics. We do the work and you have a good time.

We're Conventions 2024, in business since 2008, and we've helped dozens of Republican delegations plan and execute their convention week activities.

The Committee on Arrangements will take good care of you with hotel rooms and transportation to and from the convention hall.

The rest is on you.

We hired the Conventions team to raise our money, produce our events, and handle all the details. We couldn't have been more pleased."

The Conventions team put together our schedule in Cleveland in 2016 and they handled everything. We had great events, minimal hassle, and a very happy delegation."
